

Drive Instructions to USDOE/TRALOC at Fort Chaffee

Beginning at the intersection of Hwy 22 (Rogers Avenue) and Hwy 59, proceed East on on Hwy 22 past the Army Reserve Armory. You will cross a railroad track and see a sign on your right that says, "Fort Chaffee Entrance" and a "Detour" sign with an arrow pointing to turn in. **DON'T DO THAT**. Continue on for another **.3 miles**.

You will see an old natural stone Guard House. Turn right at that entryway which is **1st Avenue**. Proceed to Security Gate/Checkpoint. Occupants of the vehicle should show their DOE Badges to the guard on duty. Reserve or Retired military ID's are also acceptable to gain entry onto the Post.

NOTE: If for some reason they should want to search the vehicle, please cooperate. If for some reason they do not want to let you in, please ask them to call 709-5341 and I will come to escort you to the compound.

After gaining access to the Post, proceed approximately **.5 mile to Fort Smith Blvd**. Turn right at stop sign.

Proceed **.4 mile to 4th Avenue** and Fort Smith Blvd and turn left (you'll see the old Post Headquarters on your right).

After turning onto **4th Avenue** go to near the end of 4th Avenue. You'll see the TRALOC Compound on your right. Also you'll note Building 1792 on your right (that will be your entry point). Proceed to **4th Avenue and 30th Street**, turn left (ignoring one-way sign). Immediately turn left again into the authorized parking area for USDOE employees. Walk to and enter Building 1792. If no one is sitting at the desk to see you at the window, **ring the doorbell at the lower right hand side of the window for access**.
